

# A FATHER'S DAY TOP 10 LIST

10 WAYS YOU ARE  
THE BEST DAD EVER

(KIDS EDITION)

- 10.** You help me with my homework...  
When it is too confusing for mom!
- 09.** You pick me up and run me to the bathroom, when I am throwing up...  
After I sneak my Easter candy into my room after bedtime.
- 08.** You drive me to practices, game, performances and recitals...  
Even when your favorite team is playing on TV and they are winning!
- 07.** You try your best to not embarrass me when I am with my friends...  
I said "try". Like you always tell us if you first don't succeed, try, try again. Keep trying!
- 06.** You whisper yell at me when we are out in public...  
Instead of real yell-yelling so other people can hear you like some other parents.
- 05.** You wake up early, even when you are tired, to make me breakfast, take me to school, or just spend time with me on your day off when you could sleep in...  
You need all the rest you can get. Mom calls it her "beauty sleep," so I guess it is your "handsome sleep?" Thanks, for giving up being handsome for me!
- 04.** You never actually have turned the car around and gone home when I was misbehaving in the back seat.  
I think we have had a couple of close calls, but we still got to go to "nice places," even though we acted like the reason "we couldn't go to nice places."
- 03.** You work so hard all day at work to make sure we have food, clothes, and a house to live in.  
Thanks even for working hard enough so we can afford broccoli and brussel sprouts!
- 02.** You take us to church, talk to us about Jesus, and pray with me every night...  
I am so glad God let you be my dad. He really must have been working hard to match all the dads up to right kids. That seems like a lot of work for just one guy!
- 01.** You Love Me and Our Family SO VERY MUCH!  
I know there are probably times I am hard to love, but you love me anyway, just like God does. Even when we mess up, God loves us and forgives us, just like you do!
