BACKPACK BLESSINGS

Back to School: Kids Version

VOL. 1

Introduction/Explanation:

“Backpack Blessings” are a simple, small way to give your child a quick verse of encouragement as they pull out a particular item on their back to school list this year. You can use them all at once on the same day, the first day of school, or you can spread them out for 10 days or even 10 weeks. They are a simple way to take a little of God’s word and an encouraging word from you with them to school.

Quick Simple Instructions:

1. Print out the “backpack blessings” tag sheet. Consider using colorful paper or even cardstock.
2. Cut out each of the “backpack blessings” tags.
3. On the back of each tag write a short encouraging note that connects to the item and Bible verse on the front.
4. Attach the tag to the school supply item. You can use tape or use a “hole” punch and sting/ribbon to attach it onto the item.
5. Place the item and tag in your child’s backpack and pray over your child, their school day/week/year, and for God to bless them.
6. When your child gets home from school, follow up with them about their day. Talk about the verse and words of encouragement.
